

SOCIAL CHAIR

At Habitat UCLA, we believe that all work and no play leads to uninspiring Habiteers. To keep the adrenaline running, the Social Chair(s) will be responsible for organizing team building and social activities such as hosting a camping retreat or a Habitat bonfire. This position is vital for our campus chapter to continue to grow in size and strength.

Responsibilities:

- Provide the Leadership board with team building ideas at each board meeting.
- Organize a minimum of two social activities per quarter that involves the entire campus chapter.
- Organize at least one team building activity for the Leadership board in order to build a stronger relationship.
- Connect with fellow campus organizations to open more volunteer opportunities for our chapter members.
